False Alarms

Fifty per cent of the fire alarms turned in during the year, 1942, in Daly City were false alarms, according to the annual report of the fire alarm system of the Daly City Fire department.

Besides that, three of the five alarms turned in already this year were false alarms. This fact is not a very bright reflection on the citizenry of Daly City. The time for practical joking has long past, with the country at war, warns Fire Chief A. P. Chesney.

"This is getting to be a very serious matter," said Chief Chesney. "The officers of the department have tried very hard to prevent un-necessary calls on the horns and sirens since we went into the war.

"There are a lot of mothers and wives who have loved ones at the front and who are nervous as it is, without frightening them by having un-necessary alarms coming over the horn system."

The Daly City Fire department can boast of an efficiency unsurpassed as has been proven in the past, and all of Chief Chesney's warnings to false alarm setters are certainly justified. Two recent restaurant fires in Daly City's business district could have very easily turned into major fires with thousands of dollars worth of damage to surrounding buildings were it not for the quick work of Daly City's fire department. It is neither fair to the men who answer these calls nor the residents of the community to have false alarms turned in, regardless of peace or war time.

Statistics show that there are eight firemen killed answering a false alarm to one killed at an actual fire. These are figures of the International Fire Chiefs association.

Severe penalty can be inflicted upon anyone merely tampering with a fire box, and Daly City authorities promise that they are cracking down on false alarm setters.

Following is Section 625a of the California penal code:

"Any person who willfully and maliciously tampers with, molests, injures, or breaks any fire alarm apparatus, wire or signal, or willfully or maliciously sends, gives, transmits, or sounds any false alarm of fire by means of any public fire alarm system or signal, is punishable by imprisonment in the county jail not exceeding one year, or by a fine not exceeding $1,000, or by both such fine and imprisonment."

Commenting on this penalty, Chief Chesney said: "Anyone caught here need not expect any leniency from either the fire or police departments. Both departments are fed up with this idiotic practice."

Change Meeting Place

Company B, Seventeenth infantry, California State Militia, has now moved its meeting place back to Daly City from the San Francisco armory, and invites interested men to attend their drills and meetings. There will be a session, Monday, January 25, at their new headquarters, 101 Parkview avenue, at 8 p. m., and at 10 a. m. Sunday a drill is scheduled at Vista Grande park.

Lieutenant George C. Gates announces that recruits are needed.

Just Let Us Know!

This is an invitation from the Daly City Record to any local man in Uncle Sam's armed forces, or his "home folks" to let us know of promotions and activities that would be of interest to Daly City readers. We are always happy to publish such news. Since only a few of the training camps and officers' schools have public relations officers, we do not hear directly of many such promotions unless the men or their families themselves tell us.

When "Johnny" or "Joe" becomes corporal or goes off to officers' training school, let us know. Phone RAndolph 3215. That's NEWS to Daly City.

New Manager Takes Over At Milo Fruit Dept.

Continued service in fruits and vegetables was assured customers of Milo's Market, 6315 Mission street, this week, when Hagop Hagopian, new produce manager, began his new duties, Monday.

With fourteen years of experience in fruits and vegetables, Hagopian comes to Daly City from the Twenty-third and Mission street market in San Francisco. He has managed the produce department in that market for the last ten years.

Ten per cent of your income in War Bonds will help to build the planes and tanks that will insure defeat of Hitler and his Axis partners.

Bonus meats in the menu

There's no need of too much worry about making your meat allowance stretch when there are all those delicious bonus meats that can be had (at least at this writing). I speak of sundry meats such as liver, heart, kidney, pigs' feet and all those extras that don't come in on the meat quota.

As far as nutritional value goes, they have everything that other meats have, and in most cases, more too. Liver, heart, and kidney are right on top of the list when it comes to contributing iron to the diet. They're vitamin foods, too, for they contain vitamins A, B, C, and some D.

If you've built up a psychological resistance toward them, it is most likely because you've probably never tried them. But if you like chicken giblets, then you're bound to like these bonus meats.

MOCK GIBLET NOODLES — Saute small pieces of liver or kidney or precooked heart in hot shortening. Make a sauce out of the pan drippings or use mushroom sauce and add meat and sauce to hot noodles. Don't pass judgment on sundries until you've tried this dish.

SPANISH KIDNEY—Remove white centers and tubes of kidneys, slice into thin slices, brown quickly in hot shortening along with chopped onion. Cover with tomato sauce or canned tomatoes and steam for about 15 minutes. Serve with rice or spaghetti.

BAKED LIVER CASSEROLE — Place liver slices in a greased casserole, top with sliced, tart apples and sliced onion, season to taste. Add bacon drippings or other meat drippings if you have them, and bake in moderate oven (350°F.) for about 1½ hours or until liver is tender. Remove cover during the last 10 minutes.

BAKED HEART—Wash heart, remove arteries and veins. Simmer slowly in water until tender, adding 1 tsp. salt for each quart of water when half done. Allow about 2 hours for calf, lamb, and pork hearts and about 3 to 3½ hours for beef hearts. Stuff precooked heart with your favorite dressing, and bake in a moderate oven (350°F.) for about 30 minutes or until hearts are well browned.

LIVER BURGERS—Grind uncooked liver, using the coarse knife of the grinder, add about ⅓ as much bread crumbs, chopped onions and seasonings to taste. Add enough beaten egg or evaporated milk to bind mixture, shape into patties and fry quickly. Grand with whole kernel corn.

Inflation Beaters!

Along with increased employment and higher wages resulting from the war effort, comes inflation to dig deeper into the family pocketbook. Despite federal programs to freeze prices, living costs have zoomed to new high levels.

One of the big items in family costs is the food budget, where we can help you every day with savings through our policy of competitive prices, friendly co-operative service and convenient location.

This policy means savings for you in actual money, as well as in time and energy which may be turned into money in this busy world of today.

Give Him the Food He Needs

For top Production... Meat!

With the outcome of the war depending primarily upon how much war materials and munitions can be produced in America's great factories, it is more than ever essential that every worker have full strength and energy. Too many of our civilian soldiers are not eating the foods necessary to enable them to put forth their best effort.

Meat is important in the diet of the working man. It is satisfying and strength-giving. It furnishes the complete protein needed for muscle and tissue. It provides in addition, phosphorus, iron, copper, and vitamins, including the important B Vitamins—thiamine, riboflavin, and niacin. You, Mrs. Housewife, are the woman behind the man behind the man behind the gun. Give him the food he needs for top production—MEAT.

And remember that our market sells only quality meat for your good health. Come in today!
